# PRIVATE COMMISSION LANCASHIRE

Library and Bedroom Windows (three windows, each 0.65m x 0.65m) 2001

## THE BRIEF

The client's ground floor apartment has one library window and two bedroom windows that are overlooked. The request was for a design that would allow plenty of light into the rooms but provide privacy during the day.

## THE WINDOWS

The designs were inspired by the work of Frank Lloyd Wright. All three panels were made using the same design in textured, married opalescent, pot metal and streaky glasses. The themes of the panels are the primary colours.
