

# MAIDENHEAD ROWING CLUB MAIDENHEAD, BERKSHIRE

Staircase Window (0.6m x 0.9m) 2006

The commission from Maidenhead Rowing Club was for a stained glass window to commemorate those members of the club who gave their lives in defence of their country in the two World Wars. The design uses a basic heraldic layout of crossed oars supported by a scroll and includes a list of the names of the fallen. The detailed figures of oarsmen within the blue border of the window illustrate different stages of the rowing stroke.
