# PRIVATE COMMISSION LANCASHIRE

2 Dining Room Windows (0.6m x 0.67m) and (0.6m x 1.13m) 2009

## THE BRIEF

The client's ground floor apartment had two dining space windows that were partially overlooked. The request was for a design that would allow plenty of light into the rooms but provide privacy during day-time and evenings.

## THE WINDOWS

The window design was inspired by the curvature of existing furniture and its transparency was intended as a balance with the intense colouring of existing paintings on the walls of the dining area.
